Technical Objective (what you want to learn):

Professional Objective (how you plan to use your knowledge): _____

| Elective Courses | Course Name | Course # | Semester/ Year | Check if Business |
|---------------------|-------------|----------|-------------------|--------------------------|
| Track Depth | | | | |
| Track Breadth | | | | |
| EFA (ECE 100-Level) | | | | |
| EFA (ECE 100-Level) | | | | |
| EFA (Technical) | | | | |
| EFA (Technical) | | | | <input type="checkbox"/> |
| EFA (Technical) | | | | <input type="checkbox"/> |
| EFA | | | | |
| EFA | | | | |

Students who earn a business minor or entrepreneurship certificate may substitute two technical EFA courses for business courses. Check the boxes in the last column if using this option.

Undergraduate students graduating from the ECE program must demonstrate their ability to function on multidisciplinary teams. This requirement can be met in several ways, as outlined in the Undergraduate Handbook. Indicate how this requirement is expected to be fulfilled.
