

Electrical Engineering Plan of Study

This form must be filled out before taking the first Elective Focus Area (EFA) course.

Return to the ECE Office in 4016 SC.

Name: _____ Student ID: _____

Track: Electrical Computer

Check if earning: Business Minor Technical Entrepreneurship Certificate

Technical Objective (what you want to learn):

Professional Objective (how you plan to use your knowledge): _____

Elective Courses	Course Name	Course #	Semester/ Year	Check if Business
Track Depth				
Track Breadth				
EFA (ECE 5000-Level)*				
EFA (ECE 5000-Level)*				
EFA (Technical)				
EFA (Technical)				<input type="checkbox"/>
EFA (Technical)				<input type="checkbox"/>
EFA				
EFA				

*ECE:4728 and ECE:4720 may also be used in these slots.

Students who earn a business minor or entrepreneurship certificate may use up to two business courses as technical EFA's. Check the boxes in the last column if using this option.

Undergraduate students graduating from the EE program must demonstrate their ability to function on multidisciplinary teams. This requirement can be met in several ways (see multi-disciplinary team experience form for more information). Indicate how this requirement is expected to be fulfilled.
